# INTRIGUE

Pique your curiosity

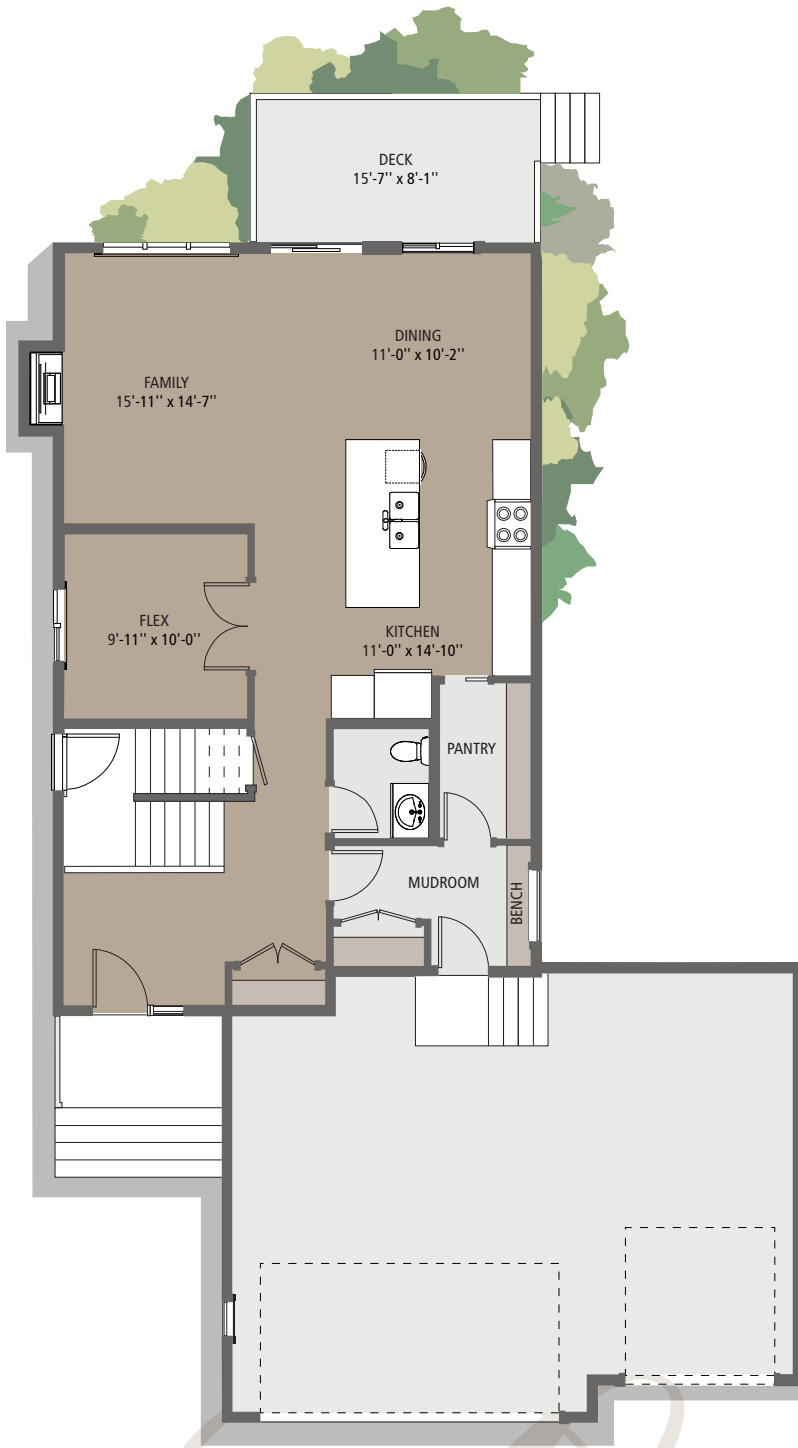

A great move-up home, the Intrigue is sure to please. Its unique layout allows for an ample backyard, but still provides enough space inside to accommodate all your needs.

This triple garage home features an enclosed flex room, family room, dining area and a large kitchen on the main floor.

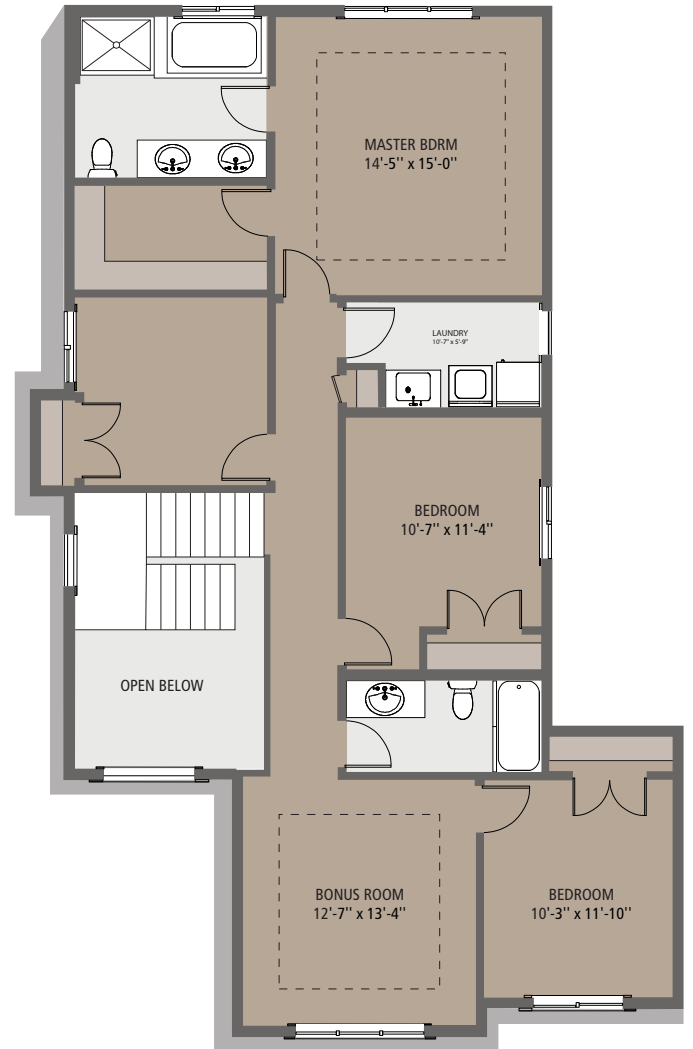

Upstairs has three large bedrooms, a full bath, laundry room and open to below. The master suite is functional and well detailed with custom tray ceilings and a large window. Complete with an ensuite featuring a large soaker tub, separate shower and double sinks.

A superb option for a growing family, this home has it all.
