SERENITY

Free your mind

A wonderfully laid out home with room for everyone, Serenity will have you feeling calm the moment you walk inside.

Crafted with precision and attention to detail throughout, you will see a structural beam that divides the living room and dining room, yet still allows for inclusive gatherings. A large family room that flows into the nook/dining features large windows that floods the home with natural light.

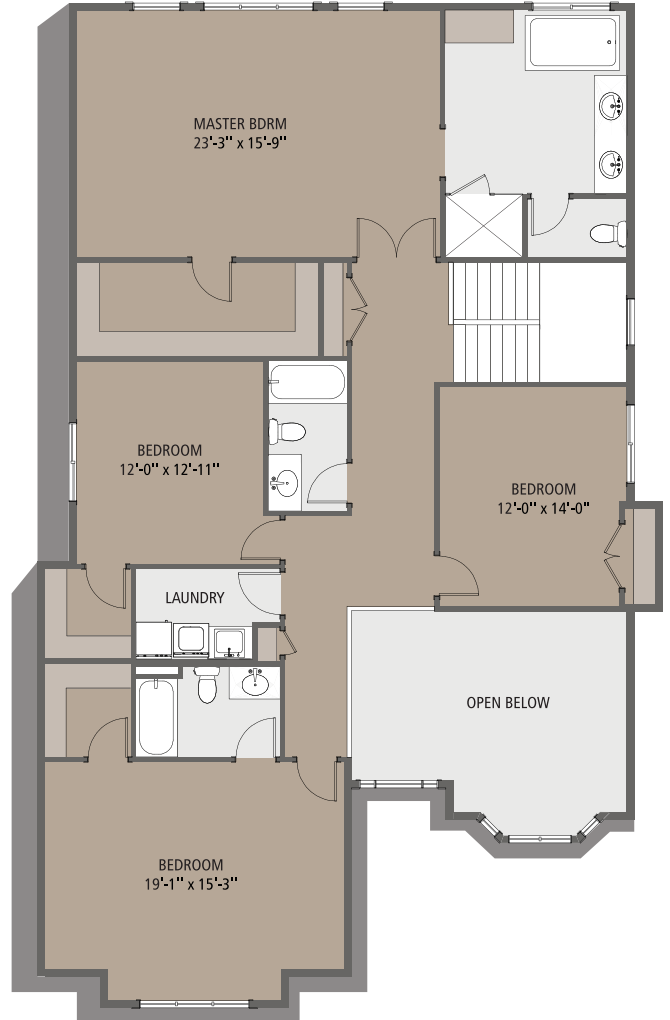

Upstairs features two large bedrooms, a third large bedroom with ensuite, a laundry room, open to below, and a retreatful master suite.

Step into a peaceful living experience today with Serenity.
